BOOK OF LINGERIE FLASHBACK

MAY 1984

It all began as a simple equation 15 years ago: sexy photographs of beautiful women in lingerie – superfluous text = a collage of pinups that guys would be crazy for. OK, so the concept was a complete no-brainer, but the *Book of Lingerie* has kept devoted fans coming back for more by combining Playboy's famous high quality with the world's best glamour photographers and the most sensual models around. In this 72nd issue we begin a series of *Book of Lingerie* flashback pictorials beginning with our inaugural May 1984 magazine.

The Bare Facts

SAMANTHA SPEER She went to the Playmate 2000 search on a lark. "Then I got a call saying that I was a finalist, so I went out to Los Angeles, did a test shoot and had dinner with Het, Heather Kozar and Brande Roderick. Now I'm a cover girl. Wow, what a trip!" *George Georgiou, 1, 4, 5.*

BRIDGETT WISE B.W.'s lessons in dating etiquette for men: "Don't be all over the girl, don't go past the limits—you should know better—and don't try too hard." *Phillip Vullio, 6, 7.*

SARA FLETCHER Hyper, curious and adventurous when she was a kid, Sara admits that back then she loved "kissing grasshoppers and eating Christmas ornaments." *Mizuno, 8, 9.*

AMY MILLER Behind that great blonde mane and super sexy frame lies a "very friendly, bubbly girl who just wants to make friends with everyone." *Gen Nishino, 10, 11.*

SOPHIE BLAKE She describes herself as an "energetic, feisty, passionate, physical, happy, slightly mad young lady." Vital stats: 5'7", 112 lbs., 32-22-33. *Byron Newman, 12, 13.*

MICHELE GREFF We asked this New Yorker what crazy things she's done to get a guy's attention. "I've never had to do anything special to get a man's attention," she says. Those whose attention she'd welcome are "handsome, sensitive and goal oriented." *Gen Nishino, 14-15.*

KARINA MITCHELL Her admiration for Pam Anderson is much more than skin deep. "She seems like a really great mom. Plus she dated surfer Kelly Slater!" Karina's own fanciful brush with greatness would include "a rock star singing in the shower with me." *Ric Moore, 16, 17.*

DITA VON TEESE "I know that it goes against the PC grain, but I never wanted to grow up to be a doctor or a lawyer. All I ever wanted to be was a woman." *Mizuno, 18, 19.*

CLAIRE LENG Her tootsies are discreetly hidden here, but they're the one thing Claire would change about herself. "My second toe is much longer than my big toe." *Byron Newman, 20, 21.*

KATIE LAWRIE Men who talk about themselves all night are big turnoffs, but this beautiful Brit admits to her own share of disastrous dating flubs. "I'm so shy I can sometimes sit all night and not say anything. When that happens, the poor guy must be dying!" *Byron Newman, 22, 23.*

MICHELLE MONROW If she decides she likes a guy on a first date he'll probably get "a nice little snog" (British for kiss) by evening's end—"but that's all." *Byron Newman, 24, 25.*

MEGAN SHAFFER A creative flair has steered her toward a major in illustration. "Art has been my passion ever since I was a little girl." Vital stats: 5'7", 114 lbs., 34-22-32. *David Rams, 26, 27.*

SASHA SINGLETON Don't be timid, Sasha, tell us what you really want. "A hot, sexy, passionate man! Someone who'll give me massages, whisper in my ear and know exactly how to make love to me." Anything else? "Nice eyes, nice teeth, nice butt." *Mizuno, 28, 29.*

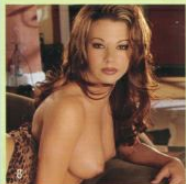

MISTI MAGOUIRK Even if you have two strikes against you—sweaty hands and nervousness, for example—you still stand a chance of getting to first base with Misti if you keep the conversation interesting and bring her flowers. Vital stats: 5'11", 125 lbs., 34-25-35. *Ric Moore, 30, 31.*

LISA MARIE SCOTT One of the perks of modeling is getting to travel to wonderful places. What spot that Lisa Marie has yet to see would she love to visit? "Bora Bora!" *Mizuno, 32, 33, 34, 35.*

JENNIFER ARENA What are her turn-ons? "Confidence, positive attitudes, honesty and hands." What's the deal with hands? "I'll check a guy's hands out and wonder what he can do with them." Vital stats: 5'5", 110 lbs., 34-23-35. *Gen Nishino, 36, 37.*

KIRSTY SMITH Klutzy model moment: "I was trying to pose discreetly in very skimpy knickers. My efforts at modesty made me look like a spaz." *Byron Newman, 38-39.*

MARGARET NITSCHKE Although serious about her nursing studies, Margaret also indulges the party animal inside her. "I just got out of a relationship, so right now I'm just going out and having a blast." Vital stats: 5', 90 lbs., 32-21-32. *Byron Newman, 40, 41.*
